

Aggregated First-Stage Battery

Script 52b — April 22, 2026

BNDES Sector — F-Statistic Grids

- **4 broad BNDES groups:** Agriculture & Fishing; Industry (extractive + manufacturing); Infrastructure; Trade & Services.
- CNAE sections are collapsed using the BNDES sector crosswalk in script 30b.

Size Bin — F-Statistic Grids

- **3 size bins:** T1, T2, T3 = small / medium / large firms.
- Bins are national terciles of firms' pre-election average employment.
- Recomputed each election cycle using only pre-treatment years.
